

THE UNIVERSITY OF ARIZONA
HEALTH SCIENCES

Med-Start

Are you a High School Student interested in Health Care Professions?

Discover Your Future With Us!

Med-Start is a SIX week summer academic enrichment program held on the University of Arizona campus for students having completed their junior year in high school.

Med-Start Health Careers Program OFFERS:

- √College level English 175A course (3 elective college credits)
- √College level Introduction to College Chemistry 197A course (1 college credit)
- √College level Math 199A(1 college credit) Preparedness for University Math Placement
- √College 101- College preparation skills and presentations
- √Math - College preparation test placement
- √Hands-on health session activities
- √Special lectures on health careers
- √Tours of health care facilities
- √Tours to Northern Arizona University, Midwestern University, Mayo Clinic College of Medicine, AT Still University, Grand Canyon University and UA-College of Medicine-Phoenix campus

Eligibility:

- Must be a Junior in High School, with a 3.0 or better cumulative GPA, outstanding recommendations, present evidence of inventiveness projects such as science fair exhibits or research health based projects. Complete ONLINE application and interview process.
- All students must be US citizens or permanent residents, and one-year Arizona residents.

Med-Start welcomes applications from all students. Because they are under-represented in the health care professions, students who are of ethnic minority backgrounds (Hispanic, Native American, African American), are first-generation college, and / or are economically disadvantaged, are especially encouraged to apply.

Apply Online:
