**TUCSON HIGH MAGNET SCHOOL PARENT INVOLVEMENT POLICY 2022-2023 STATEMENT OF PURPOSE**

Together we are working to build a strong partnership by engaging students, staff, families, and the community at large to help our students achieve their greatest potential. Our policy outlines the ways we will establish this partnership to help inspire our students to gain the knowledge and skills necessary for their continuing education and future academic success.

**ANNUAL TITLE 1 MEETING**

Tucson staff and Title 1 families will receive a copy of the Title 1 budget information that will be shared several times throughout the school year along with a review of the curriculum, as-assessments, requirements for proficiency and opportunities for academic family involvement.

**ANNUAL EVALUATION**

The Tucson High Site Council will verify annually the progress made toward achieving the goals and expected results of the school's parent involvement policy and compact and will edit the documents for approval by the wider school community for use the following school year.

**FLEXIBLE MEETING TIMES AND LOCATIONS**

As requested, school personnel will provide a variety of meeting times and locations for activities to serve all families along with one-to-one meetings if needed.

**BUILDING OF ACADEMIC FAMILY INVOLVEMENT**

Sharing responsibility for student learning ensures that all stakeholders, including parents/guardians and students themselves are engaged in ways that promote and support student success. Tucson High will provide ample opportunities to involve families and students with appropriate language support. The following section outlines ways that families are encouraged to be involved at Tucson High.

**WELCOMING EVERY FAMILY & STUDENT**

We will strive to develop relationships with all families and students. The school will provide Open House and parent teacher conferences to give parents a chance to get acquainted with other families and the school staff. Volunteer opportunities will be made available at these events.

**COMMUNICATING EFFECTIVELY**

We will conduct a comprehensive series of outreach systems including parent webpage, email listserv, events, workshops, and activities for parents to support student achievement. All information is available in both English and Spanish to meet the needs of our diverse population. For those parents who are not proficient in either English or Spanish, the school will make every effort to have an interpreter present.

**SPEAKING UP FOR EVERY STUDENT**

We will help to develop family and student capacity as effective advocates. We will provide information on student discipline, Students Rights & Responsibilities, McKinney-Vento Homeless support, the complaint process, Drop Out Prevention, IEP's & 504's - services for Exceptional Ed & Health Impairment issues – as well as advocacy workshops for parents.

**SUPPORTING STUDENT SUCCESS**

We will provide strong curriculum and instruction for all students and help parents understand the educational process and their role in supporting student achievement. TUSD Family Resource Centers provide a variety of classes for interested parents. Advanced Placement, Honors, Dual-Enrollment. And GATE classes are also available for qualified students.
