## Counseling Office at Tucson High School

Hello Badger Families,

School counselors support students in three main domains: Academics, Social/Emotional, and College/Career. We encourage all students to meet with their alpha counselor on a yearly basis to ensure you are on track for graduation. Another great resource is your StudentVUE. Credit progress can be found in StudentVUE under the course history tab, assignments in the grade book, and all teacher emails under the schedule tab. Any goal you would like to achieve, we are here to help you! Below we have included some answers to questions you may have. Our contact information is on the THMS website, under students, click counseling. Have a great rest of your summer!
