WELCOME BACK
TO SCHOOL

Dear Students, Parents and Guardians,

On behalf of the faculty and staff of Tucson High Magnet School, it is an honor to welcome you to the 2024 -2025 school year! We hope that you have enjoyed a safe and relaxing summer and are motivated to partake of the many opportunities available to you at our award winning Nationally Certified Magnet School.

It is our goal to create an environment of academic excellence and we are proud to introduce our Early College Pathway Program which joins our Advancement Via Individual Determination (AVID) Program, Career and Technical Education Programs, and Honors and Advanced Placement courses. THMS offers numerous Magnet classes in Science and Visual and Performing Arts and options for Culturally Relevant courses.

Your high school years will go by quickly and we encourage you to become involved in one of the many Student Clubs that will enhance your high school experience. You are also encouraged to represent our school by participating in our active Interscholastic Sports programs.

Tucson High Magnet School is the oldest and largest high school in our Tucson Unified School District. During the past 118 years many esteemed members of our community have graduated from or taught at our school. We are honored that you have chosen to attend THMS and contribute to its exceptional legacy!

We look forward to welcoming you back on Thursday, August 1, 2024! Go Badgers

Respectfully,

Catherine S. Comstock

Interim Principal
