DISCUSSION	<p>Graduation is front and center. Planning started a while ago. Several events have already taken place. Badger foundation had their golf tournament that generates funding for the organization. We held our exed graduation that staff could attend during PD. Meeting with Dr. Gonzalez weekly for her transition as the new principal. Yearbooks are late because deadlines were missed. They should arrive in June. This is time sensitive because of the time of year with all districts hiring right now. Interviews for the remaining APs will be this Friday with the hope of having them appointed at the May 26th board meeting.</p>
