Dear Tucson High Magnet School Families,

Hello Badgers! School is just around the corner, and I cannot wait to meet you all! I am coming to THMS from Pistor Middle School where I have been principal since 2018. I look forward to the former Panthers who will greet me at the high school. Prior to Pistor MS, I was an assistant principal & dean at a high school for five years where I spent a total of 19 years with Albuquerque Public Schools. I have missed high school very much and cannot wait for athletics & games, amazing classroom projects and performances in our auditorium! Most importantly I look forward to getting to know students! Do not be afraid to say hello during your beginning weeks back.

As we prepare for the first day of school, be sure to read over the entire mailer so you are well informed. We will help address questions about how we can support your return to school and for freshmen as you transition to high school for the very first time. Keep this information handy in a folder or your backpack as you will need some of it in the future. Most of your questions will be answered in this letter for your reference.

Let us have an amazing start to the school year with patience, kindness and making sure we carry on the Badger tradition of excellence. If you do not know something, just ask for help. We will take care of each other and support one another to make this the best year at THMS yet! I believe in you, your importance to our community and success! Go Badgers!

Hello Badger Families,

Welcome to Tucson High Magnet School! We want to interrupt your summer only briefly and introduce ourselves, we are your counselors for the upcoming 2022-2023 school year.

School counselors support students in three main domains: Academics, Social/Emotional, and College/Career. We encourage all students to meet with their alpha counselor on a yearly basis to ensure you are on track for graduation. Another great resource is your StudentVUE. Credit progress can be found in StudentVUE under the course history tab, assignments in the grade book, and all teacher emails under the schedule tab. Any goal you would like to achieve, we are here to help you with! Below we included some answers to questions you may have. Our contact information is on the THMS website, under students, click counseling. Have a great rest of your summer!

Can I reduce my schedule?
Seniors can reduce to 5 classes; Juniors can reduce to 6 classes. Request form will be live on THMS website in August.

What if I need to make a schedule change?
Any schedule changes will be solely based on if you are missing a period, need a level correction, graduation requirements, or university admission. There is no preference given for teacher, period, order, or lunch selection. Please keep in mind, we do our best to give everyone their top choice, but due to limited availability you may end up with an alternate.

How do I request an official/unofficial transcript?
Visit https://www.parchment.com/

When will counselors be back for appointments?
The THMS counseling department will resume regular operations starting August 5th. Our appointment links will be online on the THMS website, under students, click counseling.

Where is my student email?
All students have a district email hosted with Microsoft Outlook. When logged into Clever, find Microsoft 365, and click the outlook app. Teachers, counselors, and admin send you important updates about classes, assignments, and events. We recommend checking it once a day.

Where can I find my graduation requirements?
In your StudentVUE/ParentVUE, click on the course history tab and you will find your credits.
Welcome Back Badgers

Parents & Guardians,

Please complete your online registration through your ParentVUE account by visiting https://parent.tusd1.org prior to our Summer Processing event. You will be able to upload all required registration documents through this portal, including parent/legal guardian identification, immunization records, proof of address, and a copy of a birth certificate. If you do not have a ParentVUE account, detailed instructions on how to set one up are attached in this communication. During our Summer Processing event, attendance technicians will be available to assist with the registration process, or by accepting any of the above required documents.

Tucson High Magnet School’s 2022-2023 Summer Processing is for: New incoming Badgers and returning Badgers who need to complete the registration process in person. Summer Processing is being held in the THMS Gym from July 18th - July 22nd, 2022. Please be prepared for this process to be at least 1½ hours or longer. The schedule is as follows:

Welcome Badgers!

Please check your student's account for any fees that may occur throughout the year. Many of our Fine Arts classes have a board approved fee associated with the class. Those can easily be paid online at https://az-tucson.intouchreceiving.com/ Your log on name is your metric number, and your Password is your last name with the first letter capitalized (if student has two or more last names, each must begin with a capital letter).

Other fees that can be paid online are sports fees, late library fees (if book is not returned), and Club fees. You can also make a Tax Credit Donation! Get a dollar for dollar credit for your donation to any of our programs here at THMS, Home of the Champions!

If you are a returning Badger, please check your accounts as soon as possible. If you have books checked out and need returning, please bring them in and the fee will be removed.
