

# Take AP Human Geography!

at Tucson High Magnet School!

What is AP human geography?

AP Human Geography is a course that students can take to earn college credit while still in high school. The course covers topics ranging from basic geography skills, populations, migration, culture, political geography, agriculture, cities and urban development, industrialization, and more! The course is interactive with simulations and games--join AP Human Geo for a *fun, challenging, and rewarding* class!

what do students have to say about ap human geography?

“It is one of the most interesting classes I have ever taken! I didn’t realize until I started taking it how much it applies to the real world. It will help you understand the world a lot better”

“My favorite part about taking APHG is that we didn’t have to just read about it, but got to apply it in **fun activities** that were more like games”

“If you are planning to take college classes, this is a great first one!”

Earn college credit as a freshman!

If you choose to take the AP Exam at the end of the course in May, you can **earn college credit** with a passing score.

Last year, **nearly 1 in 3 students earned a 5** on the exam—the highest score possible!
